Dear Club,

I recently had the most exciting fuck of my entire life, and I just had to tell someone, so I thought I'd write in and share the story with your lucky readers. It's only fair, really, as it was actually Club that indirectly led to everything happening in the first place.

Basically, one night my hubby and I were in bed together, and he was reading out one of the naughty stories from your magazine, to get us in the mood. It was all about this guy who had a threesome with his girlfriend and his best mate. I got so turned-on listening to how this lucky girl had gotten to play with two dicks at once; sucking one guy's hard, swollen cock as the other one pounded into her from behind. My husband asked me if it was something I would ever be interested in trying, and though we were both very sheepish at first, we found ourselves coming round to the idea that maybe we could get off on welcoming another cock into our bed. He told me how much it would turn him on to watch me riding another man's cock, and obviously he could see how much I liked the idea of two dicks fucking me just from how wet my pussy had been when he was reading the story.

Anyway, nothing more was really mentioned about it after that night, but the thought was definitely there in the back of my head.

A couple of weeks later, however, Tony and his friend Steve were in the living room watching the footy on a Saturday afternoon. Steve and Tony have been mates for years, and I've always had a soft spot for him.

We've harmlessly flirted, with Steve joking how he'd love to steal me away, and I've definitely seen him eyeing me up on the odd occasion. And if truth be told, I have to confess to masturbating once or twice thinking about Steve, imagining what his cock would look like, and how it would feel thrusting in and out of my tight, wet pussy.

Watching the two of them sitting there in the living room, drinking beer and shouting at the telly, I was suddenly struck by a wicked, filthy idea. My pussy started to throb just thinking about the two of them naked, me on my hands and knees, sucking each of their hard, fat dicks in turn. When Tony came out to the kitchen, I told him what I was thinking, and how it could be a good chance to live out the little fantasy we'd discussed. And maybe it was the three or four beers he'd

“I swallowed the lot, taking it deep into my throat... as I massaged his balls.”

drunk, but far from recoiling in horror, he just stood there, grinning like a little kid. I knew then that we were on, so I sent him back out to the living room while I quickly stripped off. I then strolled out into the lounge, bold as

brass and totally naked, carrying two fresh, cold bottles of beer.

“I thought you might like a little something,” I said. They both turned to look at me, and Steve's face was an absolute picture. He looked at me, then back

at Tony, not knowing what to say. Tony just nodded that it was okay, and I handed them each a beer before dropping to my knees in front of them on the sofa and quickly attending to the zips on their trousers. Within seconds I had a rock hard dick in each hand, and I licked my lips before sinking my mouth over the head of Steve's cock. He squirmed in the seat in front of me as I slowly swirled my tongue around and around, moving my mouth up and down the shaft, slurping and sucking and loving the feel of his dick between my lips. I swallowed the lot, taking it deep into my throat, as I squeezed and massaged his balls whilst simultaneously wanking my husband's dick with my other hand.

It was everything I'd imagined and better. I felt so powerful, so sexy having these two guys in my hands and at my command, and my pussy was practically dripping with excitement. I would have loved to spend a bit more time just playing with the cocks, licking and sucking them both, but I suddenly felt Steve pull away from me, before pushing me back onto the carpet and shedding his clothes. He then knelt between my legs before taking hold of his hard, throbbing prick and placing it gently at the tip of my soaking cunt. It felt amazing as he slowly rubbed it up and down my slit, tickling my clit with the head, soaking it in my pussy juice before running it back down and thrusting deep into me in one

swift move.

OH MY GOD! It was the most amazing feeling, and I was practically coming straight away. Quite aside from the fantastic physical sensations, here I was, lying on the floor in front of my husband while another bloke fucked me! He slowly started to build up the rhythm, his thick cock filling me so completely, sawing back and forth between my slick, wet fanny lips.

He grabbed my boobs roughly, kneading them in his hands, pinching and pulling the nipples and making me squeal and shake with delight. I looked up at Tony, and he was sat there, grinning and glued to the action, slowly wanking his own hard cock. It felt so

dirty and sexy, and I was getting close to coming, but I didn't want to come just yet.

I pushed Steve away, climbing up onto all fours, and beckoned Tony to kneel in front of me. Steve then moved round to the back, and as he slid into my pussy from behind, I took Tony's dick in my mouth and sucked and licked for all I was worth, revelling in the thrill of having one dick in my cunt and one in my mouth. It was easily the dirtiest thing I'd ever done in my life – and I was loving it!

Within seconds, I could feel the urgency in both of them, and Steve started really hammering into me from behind. I sped up my work on Tony's dick, licking and sucking, and wanking the shaft as fast as I could.

Steve grabbed hold of my hips, and thrust into me as hard as he could, triggering the most intense orgasm I've ever had. I screamed out loud as I came, my pussy muscles gripping one cock as my hand gripped the other, and the two guys came almost instantly, flooding my hungry cunt with thick, sticky come while

“**...revelling in the thrill of having one dick in my cunt and one in my mouth.”**

jet after jet of my husband's hot, white spunk splattered my mouth, chin and cheeks.

For quite a while none of us could move, we were all a bit shocked by what had happened as the two guys looked at each other, and me, and soaked it all in, but it wasn't too long before they had got used to the idea, and their cocks were soon swelling again before my eyes!

As you can imagine that was only the start of things, and we carried on for a few hours yet, as I got to play with two dicks to my heart's content. And though we haven't discussed it properly, I know another threesome is definitely on the cards. Maybe this time Tony will get to play with me and another girl.

Alison, Coventry.

T♣TAL RECALL

Dear Total Recall,
Ever since I saw the set of Kaly
in Vol 31.04, I've had a thing for
shagging in swimming pools,
and to date, my best experience involved
a rubber ring much like the one Kaly floats
on in the set. I'd love to see it again, as
it would bring back some of my greatest
memories and give me a chance to crack
another one out over Kaly.
Evan, Swansea.

Here's a fresh face for Club as the beautiful and youthful Lola takes to the lens in style. Afterwards, Lola confesses she can be quite shy on occasion. Though we wouldn't have guessed it, especially after she whipped out her favourite toy for a quick play, as she was "...turned on by the thought of everyone seeing my pictures, I was so horny I thought I was going to explode!"
You can explode all over us anytime you like...

Want some fillums? Then how about these!?

American Gods

DVD £20.00, Blu-ray £25.00

Ian McShane is back, but he's not peddling Chippendale this time round as Starz, and Amazon Prime take on a long-awaited adaptation of Neil Gaiman's 2001 novel, *American Gods*. One of the best pieces of advice I can give you while watching this, is, pay attention as there are a lot of threads that aren't always explained and it can get a bit confusing at times as the world

verges of the brink of a war between ancient and modern deities. If you have read the novel, then you will be more on top of it than most, but having said that this series easy gets away with it as it is the most indulgent visual feast of 2017.

Ricky Whittle (Yes people, Hollyoaks) portrays Shadow Moon, whose prison release date is pulled forward, not for good behaviour though, but because his wife has died in a car accident. En route to her funeral, Shadow meets Wednesday, perfectly played by McShane, who lures Shadow into working for him. There is an extraordinary amount packed into this 8-part series, with old tales of bloody slaughter and new tales of, well, a similar nature. But this isn't glorified, or for the sake of it violence, it's tactful and sacrificial, and it creates something dark and handsome with it. A daring and fruitful series that sits as a must watch.

White Gold

DVD £9.99

Welcome to a 1983 double glazing showroom in Essex where co-creator of *The Inbetweeners* Damon Beesley, guides us through the ups and downs of a trio of double-glazing salesmen, as they try to climb the greasy pole. Ed Westwick (*Gossip Girl*), James Buckley and Joe Thomas both of *The Inbetweeners* bounce comfortably of each other in this workplace comedy. Vincent Swan (Westwick) is more slippery than an eel, with the brains to play the sale game, Fitzpatrick (Buckley) and Lavender (Thomas) slip into familiar aimless banter to get through the working week as the 80's setup loosens the constraints of political correctness and guilt that came in later decades. Not quite a companion piece to *The Inbetweeners*, but it maintains a similar enjoyable quality.

Homeland Season 6

DVD £19.99, Blu-ray £24.99

After watching Carrie (Claire Danes) foil a Berlin terror attack in season five, her future was looking rosy. So here we are with season six and Carrie back on U.S soil, now managing a non-profit organisation that defends the rights of American-Muslims from the Patriot Act. So now Carrie is fighting a slightly different war as she steps in to help Sekou Bah, an angry adolescent who celebrates terrorist activity, as he's hauled in by Agent Ray Conlin.

Quinn who was at death's door in the last series is still hanging in there, in ghostly form and there's a new President-elect who possesses some different thoughts on the war in the Middle East which upsets the apple cart. A solid sixth season that fans and newcomers will relish.

Action Camera

www.yitechnology.com

Looking to document your next adventure? Whether it be bear tackling or fell running the YI 4K could be the action camera you've been looking for. As its name suggests this POV cam shoots 4K 30fps video for up to two hours, and 12MP stills with a 155 degree wide angled lens. Weight is always an important fact, and at 94g it slips in as average with market competitors and easy to carry. There are downsides to the YI 4K, which should be addressed, the image stabilisation could be better, raw format shooting is not available, and if you need your camera to be waterproof then an additional case is necessary, but it does have a bigger touch screen than the GoPro 5.

MaGuzzle Buddy

Drinking beer straight from the bottle has always been an accepted practice, however gulping down your favourite bottle of Pinot Noir directly from source has long been associated with loutish behaviour. But the time has come to put your assumptions aside, as bottle drinking just got sophisticated. Prepare yourselves for the Guzzle Buddy, which can turn your bottle of wine into a wine glass. Made from resilient borosilicate glass it can handle the bumps and bangs of travelling in a bag, so perfect for a picnic and the silicone plug creates an airtight fit, so no sloshing down your shirt like the last barbeque. If those weren't box ticks, then get your nose out of the air and into the glass, as Guzzle Buddy also gently aerates the wine as it enters your glass, enhancing flavours and aromas. You could be a wine buff yet.

When Misha strolled into our sunlit studio, we couldn't help but hold our breath, as the rock'n'roll princess settled in and started to strut her stuff. With long light brown hair and cool blue eyes Misha is an arresting sight, so we can hardly blame AVN for dishing out three awards to the girl recently, which she seems delighted with. And you never know, Misha might have another to add to her growing collection with the PRP Awards coming up soon...

Emma's looking pretty in pink, as she shows off her hot bod and peachy behind in luscious lace. So what has the Miss Green been up to of late?

"Well, I've been busy shooting with the Daily Star and setting up my new Instagram account, but I did manage to sneak a pamper day in before my birthday."

Happy belated Birthday from Club. Did you have a good time?

"Absolutely cracking, just had a perfect time with the girls and I had a few lovely gifts from fans too. I felt like the queen!"

Well Emma, you certainly rule our trousers!

BOOT-IFUL!

When Alana from work asked me to help her do a car boot fair on the Sunday I jumped at the chance. She's one hell of a sexy lass who works as a secretary for one of the bosses and I'd often watched her in her tight business suit and heels tottering about the offices, with her full breasts bulging against the taut material of her blouse, the nipples jutting out like knobs on a radio. The times I'd wanked off imagining lifting that pencil skirt, parting those shapely legs and sticking my rigid cock into her pussy you wouldn't believe and maybe spending some time with her at the car boot was the way I could bring my desires to fruition!

She picked me up early and I must say I was a bit disappointed to see her in a scruffy pair of old jeans, trainers and a baggy shirt but then, why on earth would she be wearing her work clothes on a weekend.

My mood lifted though as I looked at those awesome boobs still nicely defined in that shirt and those denims were so tight I could actually see the mound of her pussy as we drove to the fair.

The day was quite hard work and as we shoved the remains of her bric-a-brac back in the Volvo estate Alana gave me a big hug and thanked me for my help. Having those tits pressed against my chest stirred my prick and before I had a chance to pull away, she noticed my excitement.

"I didn't realise car boot fairs were such a

turn-on!" she said with a smile and pressed her crotch hard against my swelling cock.

"Maybe there is a special way of thanking you for your help."

With a sexy smirk on her face she gestured for me to get in the car and we set off along the narrow country lanes that led away from the site. As she drove Alana placed her hand on my thigh and slowly stroked upwards towards my semi hard dick. Sliding her hand over the bulge, she gripped my tackle and squeezed, making my meat throb to erection. I gingerly reached over and brushed against one large breast. Her tits were actually quite firm for the size and the prominent nipple showed me she was in need of some dirty fun as well.

Parking up in a field entrance Alana got out and led me over a fence to a secluded group of trees. She pushed me back against one and immediately ground her mouth against mine, stuffing her wet warm tongue into my mouth. I pulled her body to me and gripped her lovely rounded arse cheeks through her jeans, pressing my twitching prick against her sex mound.

We snogged for a while our hands frantically exploring each others fully clothed bodies until I felt her fingers

nimbly pull down the zipper of my trousers and drag my cock out into the dwindling daylight. As she wrapped her fingers around my shaft and began to masturbate me slowly, I fumbled open the buttons of her shirt, staring down at her cleavage as those gorgeous boobs in their tight fitting lacy bra were finally exposed. Without bothering to undo the brassiere, I levered her tits out of the cups and gasped as those full plump knockers thrust towards me.

She moaned with pleasure as I lowered my head and sucked one huge teat into my mouth, nibbling on the end as she gripped my meat even harder.

I flicked open the buttons on her fly and

“ Reaching her taut anus I tickled it with the tip of my tongue...”

twat.

Suddenly her fanny muscles clamped around my knob as she climaxed and I buried myself as deep as I could as the pulses of her orgasm massaged my tool. Squeezing a rigid nipple in each hand I felt the sap rise in my balls and with a grunt of joy I jetted my seed right up her fuck tunnel.

Both our bodies shook as we shared our mutual cum, my spunk squirting her full as her own jizz squelched out around my still pumping prick.

As my cock began to soften I slipped out of her and stood back so I could watch our combined sex goo pour from Alana's cunt onto the ground.

I embedded a couple of fingers inside her to help the gunge free and she pushed her arse down onto them, grinding her minge onto my probing digits as she enjoyed our dirty, open air shag.

After a few minutes rest on the leaf strewn ground beneath the tree we tidied ourselves up and headed back to the car.

Eager to find out if our fuck was merely a one off I told Alana I was eager for more.

“Don't worry” she said with a filthy grin, “There's a car boot nearly every weekend”.

I never knew selling a load of old crap could be such fun!

MOVIE BOFFS

I'd been after a camcorder for a while, so when I spotted a really nice camcorder in the sales recently I just had to snap it up. I was a bit surprised that my girlfriend Laura seemed so keen for me to spend such a lot of money as well, but I soon forgot about that in my excitement at getting a smart new piece of kit.

A couple of weeks later we both went to my office party. It was a free bar all night and by the time we were ready to head for home we were pretty slaughtered. Laura looked great in her little black dress and it really showed off her fabulous figure. Her body never fails to turn me on and so things naturally started to hot up in the cab on the way home. When we finally crashed back through our front door we were both as horny as hell. Standing in the darkened hallway we carried on kissing. I cupped her boobs and started to massage them, stroking her nipples through the fabric of her dress until they were fully erect. Then I

eased a hand inside the crotch of her jeans. The filthy mare wasn't wearing any knickers and I could feel the wetness of her slit as I wriggled a finger inside her cunt. Alana's legs nearly buckled as we stood there against the tree groping each other until we were both desperate to fuck.

I half hoped Alana would suck my cock a bit but she was obviously gagging for a shag and yanked her jeans down to her ankles before turning away so that her delicious rounded arse was sticking out towards me. I parted her buttocks and squatting, licking down her bum crack. Reaching her taut anus I tickled it with the tip of my tongue, probing

gently inside. Jeez, I was tonguing a girl's bumhole out in the countryside where anyone could have seen us! This added to the thrill and I slid my tongue down to her hairless cunt, slurping along the entrance and then licking inside, relishing the strong taste of her pussy juice.

“Fuck me now!” she pleaded and she grabbed a bumcheek with each hand and spread them.

I stood and manoeuvred my rock hard cock into position. I could feel her snatch yearning to swallow my meat and so I thrust inside her. She was well lubricated with cunt fluid and my saliva so my member slid straight up until my aching balls slapped against her buttcheeks. Holding onto her hips I began to screw her, banging my dick for all I was worth in and out of that greasy hole. Reaching round I grabbed her swinging tits and continued pistoning my cock up that lovely

...within a few short thrusts of my cock I was hilt deep in her back passage."

slowly hitched up her dress and traced a way up her thigh towards her knickers with my fingers. Laura grabbed hold of my hand to stop me and whispered, "No. Before you get carried away there's something I want you to do for me. I really want you to film me." It took a few seconds for it to sink in. Then a broad grin spread right across my face. I'd always wanted to capture my missus being rude and filthy live on camera, but had never had the bottle to suggest it. And now here she was offering one of my best fantasies to me on a plate.

"You dirty little minx," I said. "Get your arse up those stairs right now." Laura ran off and I went to find the camcorder. By the time I'd got a hold of it and headed up to the bedroom Laura was already lying on the bed wearing just her underwear, a tiny red thong and matching peek-a-boo bra. My dick was already on the rise. This was going to be serious fun. I put the camera to my eye and

waited for the automatic focus to do its stuff and bring her into view.

"OK, this is how it's going to work," I said. "You do exactly what I say. Is that clear?" I was trying hard to come across as the domineering director.

"Whatever you say," she giggled, entering into the spirit of things and blowing a kiss into the camera.

"Right. Get your gear off," I snapped. "Action!"

Looking straight into the camera Laura winked and then began to kneed her boobs, coyly at first, then more confidently as she started to rub her nipples with her fingertips. Then, unfastening her bra and slipping it off, her gorgeous breasts swung fully into shot. Laura's eyes closed as she continued to massage her nipples, pinching them and pulling them taught. Lowering one hand to her stomach, she then trailed it down to her pussy.

My cock was rampant now as I watched her slide her hand into her knickers and play with herself, her fingers quickly delving inside her love hole. Then Laura hooked both thumbs into the waistband of her

panties, raised her hips slightly and slipped them off. She leaned back and parted her legs for the camera, her pussy gaping wide and excited already, a trickle of love juice snaking down towards her bum. I'd never seen Laura get turned-on quite so quickly. She was obviously really into being filmed. Spreading her pussy lips wide, she began to rub her clitoris in small, circular movements. Her hips pushed upwards and little gasps escaped from her mouth as she pleased herself.

"Very sexy," I encouraged. "Now spice it up a little bit for me, darling." Rolling over the bed, Laura fumbled in the bedside cabinet and to my surprise, pulled out a red vibrator, which I hadn't seen before. Bloody cheek! She'd been using it on the quiet, had she? Twisting the base, it jumped into life and the low buzzing tone filled the room. Laura then guided the pulsing vibrator across her boobs before sending it swiftly downwards, finally plunging it deep into her cunt. As she fucked herself I just couldn't help rubbing my cock through my pants, trying hard to keep the camcorder steady. Laura's hand became a blur as she worked

the vibrator in and out of her sopping pussy, driving herself towards orgasm. It didn't take too long before she started to climax, her hips bucking wildly as she impaled herself even further. She then lay back, her breathing still heavy.

"Very nice," I encouraged. "But I want you on all fours. I want to shoot you from behind." Tutting with mock irritation, Laura got onto her hands and knees and pushed her wonderful arse towards the camera, wiggling it playfully. Then she parted those firm arse cheeks, allowing me to get a lingering shot of her excited, glistening pussy. Picking up the well-oiled vibrator, she rubbed it over her wet pussy lips, savouring the vibrations as she circled the tip over her bubbling cunt.

"Rub it over your arse," I ordered. "I want you to be really dirty. Imagine you're a real porn star. Imagine there are millions of blokes watching you, wanting you, wishing it could be them fucking you in the arse right now." I was quite enjoying my first venture into the porn industry and it definitely seemed to be doing the trick for Laura as well. Trailing the vibrator backwards as she began to work her glorious arse, her hips rocked back as she

guided herself onto the tip, enjoying the intensity of the sensations. Increasing the pressure bit by bit, Laura's anus began to stretch and accept the pulsating vibro.

"Oh God, that feels big," she mumbled, her head buried deep in the pillow. "But I want it in my arse. It makes me feel so dirty when I have something up my bum. I'm going to push it up right now. I want you to watch me. I want you to film me."

Lubricated by her own pussy juice on the vibrator, Laura's arse gave little resistance and she had soon eased in half of the vibrator's length. By now Laura was so lost in her own ecstasy that she had completely forgotten about me and the camera as she slid the vibrator in and out of her arse, her sphincter gripping the plastic tightly. Each stroke caused a muffled cry to escape from

her lips.

By now I was finding it absolutely impossible to control my throbbing dick, so still focusing the camera on Laura's arse antics, I knelt down behind her cheeks. Pulling my cock out of my trousers and into shot I slowly started to rub it over her bum. Laura responded by pulling the vibrator out of her arse, then looking over her shoulder and smiling at me. Without saying a word she was letting me know that she wanted me to fuck her right in the arse. I nudged the tip of my helmet at the entrance to her bum as she quickly slipped the sex toy into her pussy. Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep in her back passage. The vibrations coming from her pussy triggered a sensation in my cock as well, which only went to double my pleasure.

gasped. With each thrust Laura lifted her hips up allowing me to drive harder into her. The sensation was mind-blowing and I knew it wouldn't be long before I had to shoot my load. I could feel my balls tightening, but really wanted to see spunk. I withdrew from her arse just in time to deposit a torrent of thick white come all over Laura's lovely arse cheeks. The feel of hot sticky semen dripping all over her did the trick and again Laura whipped the vibrator out of her pussy and shuddered to a second climax. It was so powerful that she couldn't stay on all-fours a moment longer and flopped face down on the bed. My love juices dribbled down into her crack. How I'd managed to keep the camera rolling while my balls exploded I'll never know, but somehow it worked out. Absolutely everything was right there on film!

"Come on. Fuck me in the arse," screamed Laura. I had never seen her this horny – or this dirty – before! "I want hot cock right up my arse and I want it right now," she

We spent the whole night playing back my dirty missus' on-camera arse antics and screwing like mad. The whole experience was fantastic and Laura absolutely loved it. She said she couldn't believe how much it turned her on to be filmed fucking – and how much she enjoyed watching herself performing afterwards as well. We'll definitely be doing it again before long – maybe with friends to add a bit of extra spice and excitement – and all I can say is that I'm going out to buy myself a tripod this weekend. Trying to hold a camera steady when your girlfriend's carrying on like that is way too hard!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CONFESSIONS OF A PARTY PERV!

I love the party season – I live for nights out and clubbing, and if there's some cock at the end of it, all the better!

Recently, I went to a rugby club do. The dress I wore was quite classy – covered in little black sequins that just catch the light, quite a high neck and long sleeves. But the length of it was pretty short – one of my mates says it's more of a long top – so I was showing a hell of a lot of leg, not least because I wore it with these super-high stiletto boots.

I also didn't have any underwear on. My tits aren't huge and they're pretty perky so I didn't bother with a bra, but my lack of knickers was an accident – honest. I had to go straight from work and found to my horror I'd forgotten to pack my black thong, and there was no way I was wearing the apple-catchers I had on under my office clothes. So I decided to go commando.

At first I was pretty careful, but as I had more to drink, I stopped giving a toss. Most of the blokes there and a few of the girls would enjoy a flash, I reckoned. Some of them got a good look up my skirt from the dancefloor, and I had my bum pinched a couple of times. And I was feeling all hot and turned on too, from my naughty secret and the feel of having my fanny open to the air while I danced, and especially when I was sat at a table having a drink, thighs spread wide. There were all these lads sat around with us, and I was

thinking, "Mate, if only you knew your cock was just a couple of feet away from a naked, open pussy right now."

I just had my fun and did a bit of flirting and teasing for the first few hours, then this one lad, Ethan, started dancing with me. He was with a bunch of other blokes from his team, all egging him on and winding him up, so I rubbed up close to him. Not stripper-sexy, just enough to let them know he was well in if he wanted.

His hands were all over my arse through my dress on the dancefloor, and then he was sneaking them up it, trying to cop a feel. He seemed a bit confused, like "What's missing here?" In the end, I just told him I was bare-arsed and I didn't want to be mooning everyone, so we'd better go somewhere more private. And I gave his crotch a stroke as I whispered in his ear, just in case he needed more convincing.

He followed me down a corridor so he could stare at my bum, and I let my skirt ride up a bit to flash him the bottom half of my cheeks. Then we found a room, some kind of catering storage area, with tables and chairs.

I perched on the edge of a table, splaying my legs and raking my heels down the backs of his calves as we snogged. I humped my naked cunt against him, felt how hard he was through his jeans. He took a step back as I went to unzip him, hands mashing my tits through my top, then he looked down and started moaning about the wet, creamy mess I'd made of his trousers.

Sad or what, I thought and bent

“I moaned for him to stick it in me and fuck me...”

over the table and told him to spank me for it. He said he wasn't into that sort of “kinky shit”, so I told him he'd better find me someone who was. I wasn't serious but he called my bluff, ringing someone on his phone and saying he had a, “Nympho who needs a seeing-to, and I'm not dirty enough for her”.

He was trying to freak me out and he came close to it, but I was happy enough when I saw who he'd been calling. Rhys had the reputation for being a shagger, but you couldn't blame women for wetting themselves over him. He had a buff, fit body and the rucks he'd been in hadn't done his good looks any harm!

“Right, let's see,” he said, like I was some problem Ethan had asked him to solve. He was talking over me, and when he finally turned a smile on me and waved his hand in a circle, so I'd give him a twirl in my short dress, I immediately started spinning, on tiptoes in my tarty boots.

“OK, stop,” he said, when I had my back to him. “Now bend over. Nice and slow.” I obeyed, felt the skirt slide up to expose my arse, and then I knew my pussy'd be sticking out between my cheeks. Then Rhys told me to bend over one of the tables.

It was a small, two-person sized one, so I ended up with my tits squashed against the top and my arms dangling down. I heard a rustle of fabric and he came to me holding his tie, and asked was I definitely up for this. I said yes and he asked was I sure, then when I said yes again, he started to bind each of my wrists to a table leg.

He got Ethan to take his tie off too and tied my ankles in the same way. I struggled a bit, just testing how tight they were, and Rhys gave me a “safe word” to say if I wanted things to stop,

but I was well up for it.

He started playing with my arse, stroking my cheeks and giving them a few little taps, then played his fingers along my crack. I squirmed as his fingertips found my labia, but every time I moved he stopped, like he'd decide when I got any pleasure.

Ethan was out of my line of sight and I couldn't hear him either, but I soon realised he'd started wanking. “Let me see some cock, then,” I said.

Rhys whacked me around the arse for asking, but then Ethan appeared, all stiff and swollen, palming his shaft.

Soon the pair of them were polishing away, Rhys diddling me with three fingers on his right hand while the left was wrapped around his own stiff prick. I moaned for him to stick it in me and fuck me but instead, he sort of spanked it against my arse, at the V between the tops of my cheeks, and told me if I didn't shut up, he'd just jizz all over my arse and Ethan would cum in my face, then they'd both leave me tied up for the cleaners to find.

I started moaning that they'd better not and he told Ethan to shut me up. Three seconds later I was sucking on a huge, salty mouthful of Ethan's meat. Rhys fingered me a bit longer, then I felt something thicker and wetter skim up against my snatch. He asked did I want fucking – one moan for yes, two for no. "Mmm," I said.

Ethan pulled out, and I said yes to Rhys again, and as he pushed back in my mouth, Rhys sank his prick into my cunt. He fucked me slow and balls deep, grinding not thrusting so it wouldn't put me off my stroke as I sucked off Ethan. I gobbled away, savouring the pre-cum oozing out, and I knew Ethan wouldn't last long.

I could feel Ethan's prick starting to twitch and jerk, but when he went to pull out to give me a faceful, Rhys told him to stay as he was, like he was the boss of him as well. He told me to hold the spunk in my mouth but not to swallow.

Ethan emptied his bollocks, a massive load, but I held it. Rhys told me to show him so I turned my head back, opening my mouth so he could see it all pooled on my tongue. He was straining a bit by now so I squeezed my snatch around his shaft, and he didn't tick me off.

Now he pulled out and came walking around to stand next to Ethan, prick glistening wet with my cunt cream. "Open wide,"

he said, and I felt Ethan's spunk drip down over my chin. Rhys held his cock just out of my reach, wanking it, and soon his cum began spurting out. Some splashed on my face but he aimed it so most of it sprayed on my tongue. Again, I wasn't allowed to swallow, but then he put his hand under my chin, shutting my mouth, and told me to gulp down every drop.

After that, he had me open it again, and fucked my mouth for a couple of strokes, wringing out the last of his spunk even though he was a bit tender from cumming. Then he asked had I learned my lesson about being

“Ethan emptied his bollocks, a massive load, but I held it.”

a cock-hungry slapper. I nodded but said he could teach me more any time.

I copped off with Ethan that night and it became the gossip at the club for a while, though I don't think anybody knows what went on with Rhys. There's nothing serious going on with Ethan, and I can't help thinking I want another crack at Rhys.

When the sun pops its head out, we'd agree with Jasmine here that losing one's clothes is an excellent idea, as the sunkissed, bikini-clad Jasmine is more than willing to demonstrate. So for your eyes only Club readers, here's Jasmine illustrating exactly why summer is so much fun.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Argy Onion Bhaji!

When the onion breath hits, reach for your gum, not your gun. Yuba Sharma was arrested outside the All Indian restaurant after police responded to a call of a man being drunk and threatening. Restaurant owner Ravinder Singh explained to police that the customer had shown up in a drunken rage from servers putting onions in his food the night before. Sharma was repeatedly asked to leave after threatening to shoot the

owner and before police arrived pulled his trousers down exposing himself to staff. Police reported that the 43-year-old Sharma was incapacitated by drink and talking gibberish once police had managed to arrest him. It also appears this is not Sharma's first run in for drunken behaviour and indecent exposure, next time hopefully he'll put a cork in it.

I don't like you either!

Funny Bones!

Kirsti Loyall hasn't lost her sense of humour after having to have her foot amputated to stop epithelioid sarcoma, a form of cancer, from spreading in 2016. Following the surgery, Loyall asked staff, if she could keep her foot, to which they agreed. After sending it off to be cleaned, her foot was wired together and transformed into a skeleton memento. Since then Loyall has set her foot up, its own Instagram called 'One Foot Wander' which delivers her foot's daily adventures to the 4800 followers amassed so far. It's a light-hearted and comical look at her cancer journey, that is pack full of weird and wonderful photo's Loyall has taken of her detached limb, from train tracks to All Saints, this will tickle your funny bone.

FUNNY BONE

Well, tickle my tibia!

Udder disappointment!

Solving and preventing crime is what the police force was invented for, and we all know that if they can go that extra mile, they will. So when milk theft was rife at Halifax police station, and the tea had to be left black, officers knew that measures needed to be taken

to avoid future incidents. So they came up with an ingenious plastic box, placed over the top of the milk bottle with a locking pin and small padlock running through the handle of the milk bottle. The picture was tweeted by a stunned PC Sharpe after visiting the station from Huddersfield, with a prisoner. But since padlocking the milk, soggy cornflakes have been doing the rounds again, and a brew is sure to be almost perfect.
